§ Edvard Munch *The Woman and the Bear* (Woll 362; Shiefler 332)

Edvard Munch,
The Woman and the Bear (Woll 362; Shiefler 332),
lithograph on Japan wove paper, 1908-09,
signed in pencil, from the edition of 15,
with margins, some repaired tears to sheet edges,
200mm x 210mm, sheet 325mm x 250mm.

We have not inspected this work out of the frame, although the acknowledgement of some repaired tears to sheet edges has been taken from time of acquisition by current vendor from Christie's in 2012. The work appears to have subsequently been reframed.

There is evident creasing to the top left hand corner, seen under the glass - see additional image. Otherwise slight yellowing to the paper throughout, but no staining.
