### A ruby and diamond three stone ring.

A ruby and diamond three stone ring, a cushion shaped ruby, 7.8mm x 6.5mm, four claw set with a baguette cut diamond to each side collet set, in an all white metal three stone mount, shank marked Plat, ring size J, original purchase receipts states ruby as being Burmese.

We do not have a copy of the original purchase receipt, the total weight of diamonds is approximately 0.25 carat, condition of the mount is good with no wear to the underbezel, 1.5mm wide shank. The ruby weighs approx. 1.68 carats. We do not know if the ruby has been treated in anyway. There is no certification for the ruby nor the ring in general.
