Clients must bring and wear a face covering and gloves for the duration of viewing.

## Lot 295

**Estimate:** £500 - £800 + Fees

### A pair of Georgian II mahogany side chairs

A pair of Georgian II mahogany side chairs, petit-point floral needlework upholstery, each rests on four scrolled cabriole legs, the front with acanthus carved knees, old refurbishments, 96cm.

Qty: 2

Both chairs restored, replaced lugs, one back leg screwed through, the other chair with a major repair to the back left leg, which has been entirely broken off. The repairs are professional, but still evident and the restoration materials now evident. You can see the repairs from distance. They could feasibly be improved aesthetically. Both chairs are stable enough to sit upon. The seat height is 45cm.
