Two lobed dishes designed by Dr Christopher Dresser for Linthorpe Art Pottery, a Sea-form teapot, and another vase

Two lobed dishes designed by Dr Christopher Dresser for Linthorpe Art Pottery, the larger with turquoise and maroon glaze, 23cm diam, the smaller with mottled green and brown glaze, 20cm diam (as found), a Sea-form teapot, under a mottled and streaked green glaze, model 1037, 12cm high, and another vase with wavy folded rim, maroon interior with green exterior, model 874, 6cm.

Qty: 4

Condition Report

Teapot: Some chipping to the spout and also an internal firing line evident to the inner spout.

Green glazed dish: Old crude glued repairs to significant chipping and damage to approx a third of the circumference, with resulting glaze loss. Signed Dresser.

Crumpled vase: a tiny glaze nick to the rim, but otherwise no damages. Some under-glaze firing lines to the underside of the base.

Turquoise dish: Good overall condition, some surface scratching. Signed Dresser mark.
