## Lot 224

**Estimate:** £4000 - £6000 + Fees

### Rolex - A gentleman's GMT Master II Pepsi bezel.

Rolex - A gentleman's GMT Oyster Perpetual Date GMT Master II wrist watch with "Pepsi" bezel, 30mm black dial with luminous dot markers, Mercedes hands, batons at 6 and 9, triangle at 12, centre seconds hand, 24 hour red arrow hand, date aperture with cyclops glass, two tone bidirectional rotating Pepsi bezel, blue at top and red lower half, with white arabic numerals in increments of two, protected screw down crown to a 40mm stainless steel case, fitted with a steel Oyster bracelet with Rolex deployment clasp, no box or paperwork, the watch was purchased from Goldsmiths of Oxford 14 years ago and has been in the same ownership since, the watch is running at present time although no guarantee is given.

Please see further images uploaded to our website ( there is no red staining - this is a reflection from lpad), light surface scratches to bracelet and case, no deep nicks, plastic cover still on back of case, glass is good, some very light scratches to pepsi bezel, bezel turns in both directions, screw down crown functioning.
