### Lot 507

**Estimate:** £400 - £600 + Fees

#### Victorian carved oak lectern

Victorian carved oak lectern, revolving rectangular platform faced with an eagle, acanthus scroll and leaf carved column, stepped hexagonal base, paw feet, height 175cm.

Overall in very good condition, the eagles head and wings are good with only a few marks around the extremities, bookrest has had three plaques/mounts removed and has obvious screw holes, carved and stepped column is good, paw feet are good, column is stable.
