### **Daum, a cameo glass landscape vase, early 20th century**

Daum, a cameo glass landscape vase, tall waisted form, internally mottled pink glass body with dark green overlay, etched with trees by a lake, Daum Nancy mark with Cross of Lorraine, 30.5cm.

Some random surface scratching to the exterior surface. Some white spots on the exterior surface would appear to be emulsion paint? But not sure if they could be remove/ cleaned off. Other marks are certainly scratching to the surface which may prove difficult to remove/ disguise. No chips or cracks to the body. No evidence of polishing. Internal tide marks where it has been used as a flower vase (presumably). We are selling this an original Daum vase from the early 20th century.
