### Josef Lorenzi, an Art Deco sculpture of a lady

Josef Lorenzi, an Art Deco sculpture of a lady, wearing a stylish trouser suit, patinated art metal, signed in the cast, raised on a chamfered onyx square base, 22.5cm.

### Condition Report

A 1.5cm scratch across the chest, and a smaller scratch to the hairline just above (lefthand side of the head). Rubbing to the patina over the wrists resulting in the silvered base metal showing through, and similar rubbing to the hem of the coat and creases of the trousers. The onyx base is ok.
