### Large Capodimonte group depicting a concert party.

A large Capodimonte group depicting a concert party, by Cappe, 46cm x 31cm.

### Condition Report

There are some tiny chips to the spout of the coffee pot, there are a few small breaks on the frills on the edges, very grubby in the corners and edges, there is a short crack to under the chair/dress on the yellow dress figure, the finger on one may have been restored at some time. Otherwise appears to be good with no other restorations. Please see the added photos on our website.
